

BRENDA CLARK
TAX ASSOCIATE

Brenda Clark is a part-time Tax Associate at Cross Border Tax & Accounting, whose parent company is KeatsConnelly, the largest cross-border wealth management firm in North America that specializes in helping Canadians and Americans realize their dreams of a cross-border lifestyle. Brenda is responsible for preparing US and Canadian tax returns.

Prior to joining KeatsConnelly, Brenda worked for 30 years at a Toronto, Ontario public accounting firm. Her expertise includes corporate accounting for small and medium size privately owned companies, personal tax for high-wealth individuals, as well as brokerage account bookkeeping.

Brenda has lived a cross-border life - spending her first decade in Canada, the second in the US, back to Canada for the next three, and recently returning to the US to get married. She knows firsthand the time-consuming process of dealing with the immigration authorities and tax departments in two countries.

When not at work, Brenda enjoys the warm weather and palm trees of Florida, sewing, riding her pink and orange bike, reading home décor magazines and watching movies on the Hallmark channel.
